

# Mastership in Restorative Dentistry

---

## Overview

- The Mastership in Restorative Dentistry (MRD) is a advanced clinical training program by Balaji Superspecialty Clinic, is an intensive 6 months program designed to provide Indian dentists with clinical training in the broad realm of operative, endodontics and restorative dentistry.
- The program is a unique opportunity for those who seek additional restorative experience to supplement what has already been taught through formal dental education.
- This programme will ensure that you are fully equipped to offer the highest standards of restorative dentistry to your dental patients. Successful completion of MRD will enable you to demonstrate true commitment to your patients' safety and best interests. MRD will give you an opportunity to broaden your services in a way to suit you and your clinical practice.
